I, _____, am collecting pledges in support of Forever Loved Pet Sanctuary [FLPS]. FLPS is an all-volunteer run organization which operates solely on donations. Their mission is to save senior animals who are often overlooked by providing them the opportunity to thrive in a safe and caring environment. 100% of the pledges will go directly into animal care and operations. By pledging me, you are helping to *strike out the perception that older pets aren't adoptable*.
